

## **SOUTH CAROLINA FEDERATION OF MUSEUMS ANNUAL CONFERENCE**

*EMBRACING CHANGE: THE PERSISTENCE OF MEMORY & RESILIENCE*

**PRESENTED BY SPARTANBURG COUNTY HISTORICAL ASSOCIATION**

SPARTANBURG, SC      MARCH 16-18, 2022

### **CALL FOR SESSION PROPOSALS FOR THE SCFM 2022 CONFERENCE**

The SCFM Annual Conference is a time where we can celebrate the impact that museums have made on the state of South Carolina. It's a time where we can share our successes, learn from our challenges, and grow as museum professionals. The past year and a half has been daunting and chaotic for many of us. We've found ourselves having to pivot, reflecting on the past while forging forward into a new and often uncertain future. This year's conference will focus on how the museum field has embraced change and remained resilient while doing so. We look forward to being back together in person and welcome you to share your experiences by submitting a proposal to present at this year's conference.

#### Tips and Ideas for Presenters:

- Some topic suggestions include, but aren't limited to:
  - Budgeting and Fundraising
  - Museum Education
  - Disaster Preparedness
  - Curatorial Methods
  - Exhibition Techniques
  - Friends Groups/Boards/Networks
  - Disaster Planning
  - Marketing & Branding
  - Grant Writing
  - Be creative and make your own!
- It's great to share about specific projects that your museum is working on! Take your session up a notch by including take-away concepts and applicable suggestions.
- Sessions that include interactive or hands-on components are both fun and informative.

We look forward to hearing from you! Please complete the attached form and submit to [scfm@scmuseums.org](mailto:scfm@scmuseums.org) by Tuesday, January 18, 2022.
